**Rosengarten Report Gives Nod to Kyma
and Chef Pano Karatassos as One of America's Best**

Atlanta – November 2, 2006 – The Rosengarten Report, an esteemed national food and wine newsletter, gave kudos to Greek restaurant Kyma as one of the “best Greek restaurants in America” in its October issue.

Written by David Rosengarten, an authority on food, wine and cooking who is known as a popular host on The Food Network, as a cookbook author and journalist for publications such as *Food & Wine*, *Gourmet*, *The New York Times*, and *Bon Appetit*, *The Rosengarten Report* covers food, restaurants and travel spots around the world.

His recent Greek-themed issue lauds Kyma and Chef Pano Karatassos in an article entitled “The Best Greek Restaurant in America.... In Atlanta?” He calls the cuisine “mind-blowing, modern Greek food” and celebrates Chef Pano’s approach as:

“... in any cuisine, every once in a great while a creative chef comes along who does the updating right. He has the ethnic food in his blood, his soul—so his modern food will always be grounded in it. He knows how to bring in refinements, new ideas, without obliterating the real taste and feel of his ethnic cuisine. His food is delicious, startling—and vastly comforting at the same time.”

Kyma will celebrate its fifth anniversary in December. Since opening, Chef Pano and the restaurant have earned attention from a variety of local and national publications including *Food & Wine*, *Gourmet*, *In Style* and various national publications in Greece. The menu features a wide variety of fresh seafood, lamb and poultry dishes with a special focus on Greek-style “meze” appetizers; more than 40 items on the menu are available in meze portion sizes.

Located at 3085 Piedmont Road in Buckhead, Kyma is open for dinner Mondays through Saturdays. Kyma is part of the Buckhead Life Restaurant Group, which includes Pano’s & Paul’s, 103 West, Buckhead Diner, Chops / Lobster Bar, Nava, Pricci, Veni Vidi Vici, Atlanta Fish Market, Buckhead Bread Company and Corner Café, The Club at Chops and Bluepointe.
